

8th REGION CYCLE 2 NET PREAMBLE

Effective on March 14, 2021

Calling the 8th Region net, calling the 8th Region net. This is a directed net and a member of the ARRL National Traffic System. This net meets daily at 2:45 PM and 4:00 PM Eastern Daylight Time on 3965 KHz. Our alternate frequency is 7290 KHz. We can handle any legal traffic for the 8th Region, which consists of Michigan, Ohio and West Virginia. We also have liaison to the Eastern Area Net.

This is _____ (your name and call sign) located in _____ (your state). I will be your net control station for this session of 8RN. Is there any emergency or priority traffic? (list any traffic; route and move this traffic immediately after check-ins are complete)

Do we have an Eastern Area Net liaison? (list any traffic)

Do we have an alternate liaison for Eastern? (list any traffic)

Do we have a designated representative from Michigan? (list any traffic)

Do we have a designated representative from Ohio? (list any traffic)

Do we have a designated representative from West Virginia? (list any traffic)

Additional stations for the 8th Region net with or without traffic? (list any traffic)

(Begin to route and move traffic according to precedence)

Additional stations for the 8th Region net with or without traffic? (list and route any traffic)

Are there any announcements or any further business for the 8th Region net?

This is _____ (your callsign) closing the 8th Region net.

Notes:

- NCS's may change bands and frequencies at will depending on conditions.
- The Eastern Area Net meets at 3:30 PM Eastern Daylight Time on 7222 KHz (+/-) EXCEPT on Mondays, Wednesdays, and Fridays when EAN begins early at 3:15 PM.
